

Are You At Risk?

Did you know that, just like a car, **autoclaves can go “out-of-tune”** and may fail to sterilise properly?

So for safety and performance **you need to have your autoclave serviced regularly**, just like you would for your car. Australian Standards say that, to meet their regulations, **this should happen annually**.

4 Major Reasons why you should have your autoclave “ U-Tech’d ”

1. Trained and **authorised by the Manufacturers** including leading brands:

Lisa

Tuttnauer

Melag

Century

and others.

2. **ISO9001.2008 Quality Certified** Company. Certification # 537918 (Very important)
3. We provide **Loan equipment** to cover breakdowns
4. **\$50 of Free consumables** for bookings made by the 30th of June 2009.

U-Tech Medical can **Service & Validate your Autoclave** to ensure optimum performance and compliance to the Australian Standard AS 4815.

Please tick your preferred month and we will call you to confirm date.
